

Contactless Drop-off Now Available!

Where do I go?

A 'contactless donation' bin is now located in the front lobby of Valley Children's Hospital upon entry to the hospital's main entrance. The hospital is located at 9300 Valley Children's Place, Madera, CA 93636.

Do I have to get screened?

An "express lane" drop-off process has been approved that allows donors to bypass the screening line to drop donations off.

Can I get a tax receipt?

Security will provide donors with pre-printed donation forms for in-kind donations and envelopes for any cash contributions.

For Large Donations, Please Call Ahead to Child Life Services at 559-353-5882

Donors can call Child Life Services to schedule an appointment time to conduct a contactless "handoff" from your vehicle. Please follow these easy steps:

1. Call Child Life Services at 353-5882 in advance to arrange a date and time for drop-off.
2. A masked and gloved team of employees will meet you at Valley Children's Hospital's main entrance at the circle drive and unload your vehicle.
3. Please open the trunk of your vehicle and remain in your car.
4. Our staff will remove the donated items and provide you with a pre-printed donation form for your convenience.
