A Note On Sponsorships

Our Silver, Gold, and Presenting Sponsorships each include 20 seats to the event, shared between two premium tables of 10. We have received feedback from sponsors who only wish to utilize 10 seats at the event.

Should you wish to do so, we invite you to maximize your donation to Valley Children's by donating your second, un-used table of 10 to be re-sold to other guests who have expressed an interest in attending. Your added generosity will be recognized that evening in a special announcement by our emcee.

If you choose not to utilize your second table, we respectfully request that you share your intent by Friday, August 31.

We invite you to join us as we move forward in our journey to provide the nation's best healthcare for kids and to become the nation's best children's hospital. Our vision, paired with your generosity, will ensure we can provide the best care for all children throughout the Valley. Thank you for your consideration of support. We look forward to seeing you on September 22, 2018, at Valley Children's Hospital!

This event is expected to sell out quickly. To secure your seat, please contact:
