

Pediatric Rehabilitation Center

We hope that Valley Children's Pediatric Rehabilitation Center will be your choice to meet your patient's rehabilitation needs. Referrals for inpatient pediatric medical rehabilitation services may be made by:

- Physicians
- Case Managers / Discharge Planners
- Parents / Family Members / Caregivers
- Patients (who are at least age 18)
- Third-Party Payers
- Other Allied Health Professionals

We welcome the opportunity to talk with you about our programs, answer questions and/or arrange a facility tour.

Refer for a Rehabilitation Assessment

Rehabilitation Liaison Nurse: 559-353-6911

Referral instructions continued on reverse

3**SEND ALL REFERRAL INFORMATION TO VALLEY CHILDREN'S**

Please send all referring office information and pertinent medical information to:

Attention: Rehab Liaison Office

FAX: 559-353-6836

Or via referral management system

4**REFERRAL REVIEW**

Each patient's medical records are reviewed to determine eligibility for admission to Valley Children's Hospital Pediatric Rehabilitation Center. If appropriate, our Rehab Liaison Nurse will contact the family to complete the intake and provide information about the hospital and the rehab process. Eligibility is based on information from the referring facility, bed availability, and insurance authorization. The Rehab Liaison Nurse will respond within one business day with any additional needs or decisions regarding acceptance.
